

Connecting Disciples

for Methodist Church lay employees

If you are a lay employee of a Methodist church or circuit then Connecting Disciples is for you.

There is an annual 4 day conference for all lay employees across the Methodist Church in the UK; this conference has different streams for different workers, such as administrators, pastoral workers, youth & children's workers.

This year there are 2 dates to choose from:

6-9th March at High Leigh Conference Centre (where previous conferences have been)

6-11th June at Cliff College in Derbyshire.

For a taste of what happened last year check out on YouTube Connecting Disciples TV

Connecting Disciples

This year the Districts across the NW&Mann are all hosting Connecting Disciples Local days for lay employees.

These are days for you to be refuelled, to network, to develop new skills. They are nearer to home than the Connexional 4 day event and you can deepen relationships with co-workers.

These days are free to you.

Upcoming dates:

Cumbria & Lancashire Districts : **17th November** Bookings open via Rob at NWMannNetwork@gmail.com

Manchester & Stockport and Bolton & Rochdale Districts : 12th January Bookings open at NWMannNetwork@gmail.com

Coming soon:
