Changes to attendance list for Leadership Module

As you may have heard, Methodist Conference has, on the recommendation of the Past Cases Implementation Group, added to the list of who is mandated to attend the Leadership Module. Also, the Leadership Module is being revised.

Therefore by August 2021 the following all need to have completed the Revised Leadership Module.

- Local Preachers
- Worship Leaders
- Lead person for children & youth work, or vulnerable adults
- Supernumeraries on the preaching plan
- Foundation Module trainers
- Church Safeguarding Officers

In the North West & Mann region we are working out a regional response to these changes which will be shared as soon as possible.

In the meantime, we are advising only Foundation Module Trainers be the *additional* people to attend the sessions advertised on this flier. They will join lay employees and Ministers, and District Trustees who already are mandated to attend this training.

Note: Those who completed the Leadership Module 4 or more years ago, you will be expected to attend one of the revised Leadership Module days once they are available.
