

One Programme

2018/2019

We are in the wake of a very successful One Programme at Leyland Methodist Church. The One Programme Participant (OPP) has successfully mentored young people and enabled them to grow in discipleship. We wish Natasha well with her future endeavours and thank her for her leadership. If you want to know more about what's been learnt this year then call John Squares.

2017/18 Swann Bank have successfully applied to host a One Leader and recruited Phoebe to a role that will focus on youth ministry within one mile of their church in Burslem. Together we will learn about how the specific focus on a limited geography helps them to expand their ministry.

Maybe your church should host next year's project!

One Programme 2018/19

The One Programme is a great opportunity for people aged 16 to 23. One Programme Participants (OPPs) are paid a living wage to work an average of 15 hours a week - most of which is spent in a local project but with some Connexional (national) responsibilities, including working at 3Generate Children's and Youth Assembly

What you may want to begin to think about now:

- Successful projects both serve the church and its wider aims, and also offer a stimulating opportunity, with clear expectations, that will enable a young person to grow in leadership.
- Applications last year were due in early March. We had quite a few groups rushing at the deadline. Some did not make it in time. Begin developing your project now.
- At present we have funding for one regional OPP. Be your most focused, innovative and exciting self when proposing a project.
- The One Programme is expanding. Watch this space.
