North West & Mann

One Programme

2019/2020

Want to learn from what's worked well?

This last Connexional year, Swan Bank have been working with Phoebe in a role that has focused on youth ministry within one mile of their church in Burslem. If you would like to learn from their experiences please contact Sam at Swan Bank.

ONE PROGRAMME

Remember—there is also the learning from Leyland on mentoring young people's discipleship from the work done in 2017/18 in Leyland.

Maybe your church should host next year's project?

The One Programme is a great opportunity for people aged 16 to 23. One Programme Participants (OPPs) are paid a living wage to work an average of 15 hours a week - most of which is spent in a local project but with some Connexional (national) responsibilities, including working at 3Generate Children's and Youth Assembly

The Methodist Church

One Programme   2019/20

What you may want to begin to think about now:

- Successful projects both serve the church and its wider aims, and also offer a stimulating opportunity, with clear expectations, that will enable a young person to grow in leadership.

- Applications last year were due in early March. Begin developing your project now.

- At present we have funding for one regional OPP., so to get the church chosen to host an OPP be your most focused, innovative and exciting self when proposing a project.

- Talk to Melody Clarke for support in applying to be a host.

The ONE programme is now more the OPP scheme. There are also opportunities for young people to **travel the globe** and also to be appointed as **interns with large organisations.** Do let young people in your churches know about the amazing opportunities there are for them to broaden their horizons and to be the change they want to see
